

Unit 3 Learning Objectives

<b>Learning Objective:</b>	<b>Page Number:</b>	<b>Date Learned:</b>	<b>Mastery Rating:</b>	<b>What am I learning?</b>
3.1	1-3			How to explain the three basic trig ratios.
3.2				How to use co-functions properties.
3.2	4-6			How to use the basic trig ratios to solve for missing sides.
3.3				How to use the inverses of the basic trig ratios to solve for missing angles.
3.4	7-9			How to use trigonometry to solve word problems especially angle of elevation and depression.
